

All Dolled Up

Doll Clothes by Terrie

Simple Shorts

Pattern and instructions to make basic elastic waist shorts for 18" dolls.

www.alldolledup-dollclothes.com

Simple Shorts

What you need:

1/4 yard fabric
11 inches of 1/2" - 3/4" elastic

Please Note:

- ★ Before you print this pattern, make sure your margins are set to “narrow” and the scaling is set to “None” (or 100% if using a MAC)
- ★ If you have any problems or questions with this pattern, feel free to contact me at: alldolledup.dollclothes@gmail.com
- ★ This pattern is sized to fit most Mattel Pleasant Co. dolls. It's important to remember that not all 18" dolls are created equal. I've made every effort to make this pattern fit an American Girl doll, both Pleasant Co. and Mattel but since the dolls all vary in the amount of stuffing, it's highly recommended that you “try on” as you sew.
- ★ Although I use American Girl dolls as models, I am in no way affiliated with American Girl or Mattel.

Since I cannot copyright this pattern, I ask that you not share it with others. Let them buy their own. You may use this pattern to make items to sell in your online store, website, craft fairs, etc but I do ask that you somehow indicate in the catalog description that the pattern was designed by [All Dolled Up Doll Clothes](#). You are welcome to alter the pattern as you see fit but again, in your catalog description, please indicate the pattern origination.

Cut 2 of the one pattern piece. Add length if desired.

Stitch center back together then center front together.

Finish seams by either zig zagging or serging.

For top casing, fold over 1/4" and press.

Fold over another 3/4' and press.

Stitch close to edge, leaving an opening for the elastic to be inserted.

Insert an 11" piece of 1/2" elastic.

Sew elastic ends together then tuck inside the casing and stitch closed.

For leg hems, fold in 1/4" and press.

Fold in another 1/4" and press.

Stitch close to edge.

Open shorts to match up raw edges and front and back center seams.

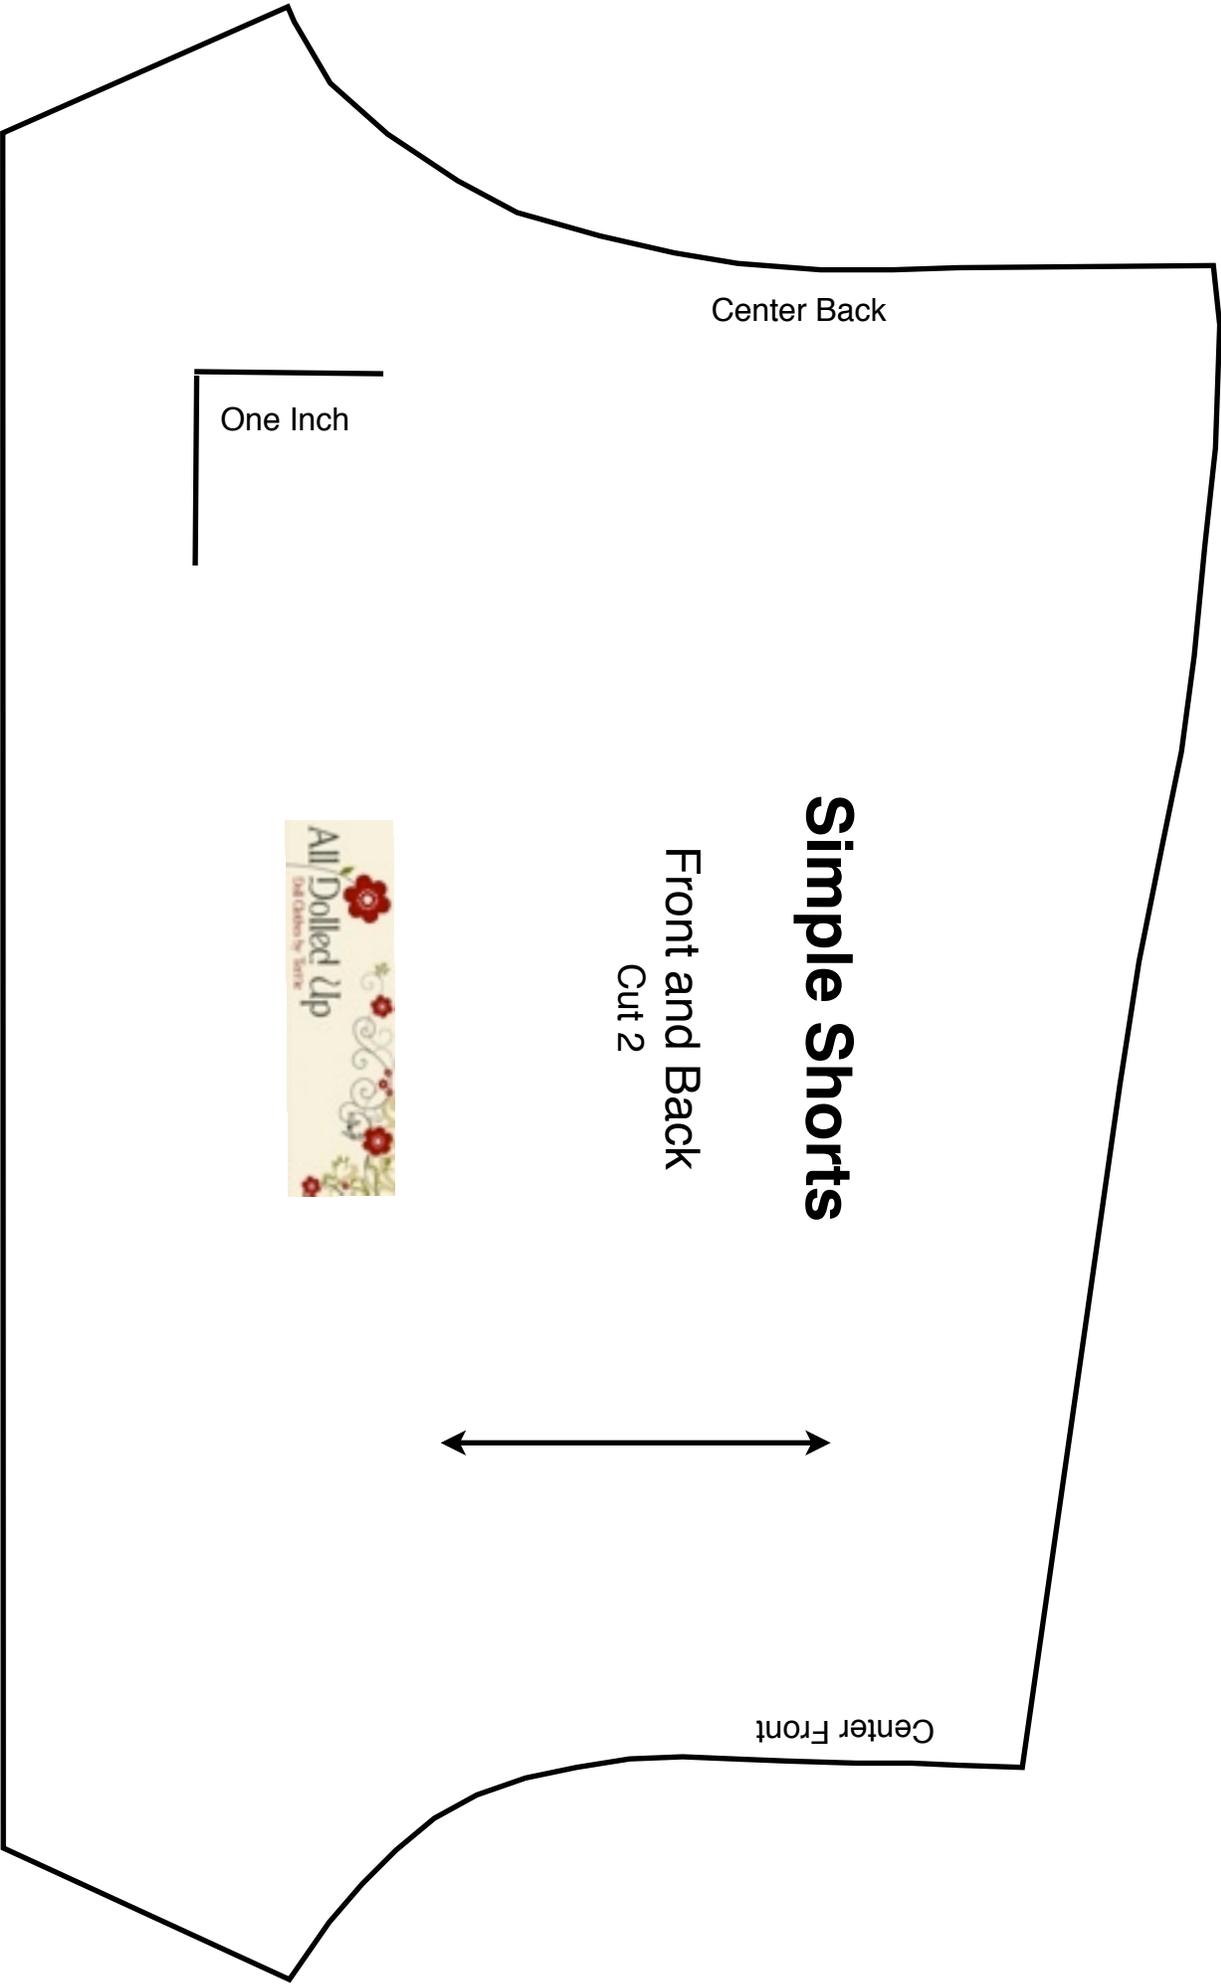

Stitch crotch closed.

Finish Seam by either zig zagging or serging.

All Done!
